Good evening ladies and gentlemen, Out of town Monarchs and guests,

Welcome to Coronation XXXII. As usual, we have a fun filled night of great entertainment that only the Big Onion can offer.

I would like to start by saying Congratulations to JMISM, Chuck and Southern Comfort. You are two very dedicated people who have been an asset to the Court in the few short years you have both been involved. It was an eventful year with it's ups and downs, but you managed to pull through. Tonight is yours. Be proud and have fun.

To the 31st Upper House, Thank you for the hard work you put in to have some very successful events. I have seen so much energy from many court members this year. We have had quite a few new comers to the organization this year. It is greatly appreciated. You are the ones who will carry the Court into the next decade.

To our Candidate, Toni Lester. I wish you the best of luck, and remember, should you be successful in your endeavor to be Edmonton's next Empress, you have a lot of people behind you. Never be afraid to ask for help. I know you will do the City proud.

As the current reign comes to an end, so does the current Board of Directors. After many years of involvement, I have decided to step back and make way for some new blood and new ideas. I have nothing but respect for those of you involved and I'm sure things will be left in good hands.

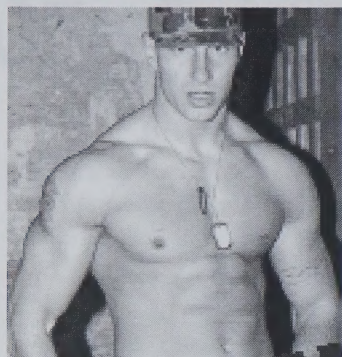

I would like to thank two people who helped me make it through this year. Brandi Bodeen for all the late night chats, telling me what I need to be doing as President, and Leah Way for your passion and commitment to the Court in the last few years. You are the backbone of the organization. Thank you to all the Board members I had the privilege of working with, and thank you to all the people of Edmonton who come out and support our events.

Sit back, relax and enjoy the evening.

*I remain,
HISM Emperor XXVII, Bobby Big Onion Boink

The John DeSmit Citizen Of The Year Award

The Citizen of the Year Award is presented annually to a person who has contributed freely to making the gay community a better place to live. This contribution, although not necessarily publicly acclaimed, is one that allows each of us to move through life more freely and with more companionship among our neighbours and acquaintances.

John DeSmit was a man a ease with life and socialized freely with everyone around him. He loved having a good time and demanded nothing from those he encountered. He showed the unaware that gay people are worth caring about. He was himself cared about by many people from all walks of life and his untimely death was a tragic loss to all who knew him.

Hello Edmonton!

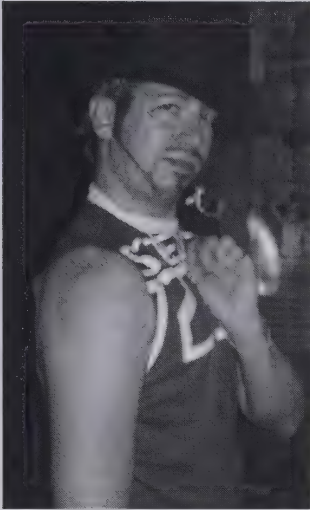

Well, Chuck, I hope you're happy. You had to make me your half.
And I couldn't be more proud!

Thank you for the incredible honour you have bestowed on me. I could lie, and say it was a terrible burden, but really it has been such a joy. The opportunity to visit with you, to travel with you, to laugh with you, has brightened my year. Thank you for that. And to the city of Edmonton, I hope that in at least some small way, I have represented you with a modicum of respect, and a spoonful of dignity... Oh who am I kidding. Y'all are sick and twisted, and I love you for it. You most of all Mr. Emperor.

Welcome everyone.

Wow, would you believe that the year is at an end. It has been a good year even through the tough times. I've had a lot of good laughs with a lot of great people whom I've met both in Edmonton and out of town. I have traveled back to a couple of places I haven't been to in many years and it was so wonderful to see my old home towns again. What could be any better

reason than performing at shows to raise money for charity? But enough of that.

I have many people to thank in this limited space. To start off with, I would like to thank my son Josh and his wife Katrina for believing in me, for who I am and also for understanding. Thank you to my nephew Rob for helping me when I needed him there. Thank you to a special friend who I love very dearly, Sir Robert Rice for helping me over the year and listening to me and talking with me when I was down and for bringing my spirits back to where they should be.

Thank you Kristin for letting me have your BOOBS for the year (what a pair). Thank you Caprice for making me learn a Latino song. Thanks L.J. for making the year fun and for our tipping wars. (I'm still one up on you).

Many thanks to Elise for being my Princess and putting up with me. Also for letting me borrow your dress for tough drag. (It fit so well). Thanks to you, Empress XXXI Southern Comfort (MOM) for being there when I needed you throughout the year, especially when I first started in the Court and for being my Imperial mother as well.

And a special thank you to the person who got me started in the court and who has helped me so much that I don't even know where to begin. He is also the one I gave the most grief to as well. He forgave me each time. (What a guy) Emperor XXXI Chuck Lonestar. Thank you for everything that you have done for me. Teaching me along the way and taking me on the trips with you. You have made a lot of my dreams come true and without you they just would not have been there, so thank you from the bottom of my heart and love.

There are so many other people to thank but not enough space. They know who they are and I love each and every one of you. You have all made a difference in my life one way or another and I will hold it in my heart and cherish it always.

EMPEROR XXXI CHUCK LONESTAR

Fellow Monarchs, Courtiers, Dignitaries, Honored Guests and Dear Friends, welcome to the Thirty Second Coronation of the Crystal Gondola Empire, the Imperial Sovereign Court of the Wild Rose. This has been a year of many challenges. We pulled together and met them all head on and we survived.

I was crowned a year ago today. I realized my position didn't come with an operator's manual. It was on the job training. With the support of my Empress and of the 30th House, the Board of Directors, my Upper House, and other Courtiers, we got through it. As a result we are celebrating a year well done.

I had the opportunity to do some traveling to other Realms (and of course, what happens on the road gets back before you do).

Winnipeg:

This was the first out of town Coronation I attended as Emperor. A great time was had by all. I apologize to Connie L for any pain I may have inflicted during her number at the out of town show. That's what you get when you pass a blind guy a pin and ask him to pop balloons attached to your body. Sorry I mistook your butt for a balloon. I was honored to witness the crowning of Winnipeg's new Emperor Jiminy and Empress Ginger. That was when I proclaimed Jiminy as my Out of Town Half. Thank you Winnipeg.

Regina:

Schmoo my friend, thanks for hosting one of the wildest Coronations I attended. The Command for the Ball was my first. I will remember it with honor and affection. In addition, I am the current reigning Miss Tough Drag Regina (second year running) and I will be there to defend my title. A big HOWDY! To Emperor Mitch and Empress Cricket and all Courtiers of Regina.

Vancouver:

Always a pleasure, it was great to be at the step down of Emperor Steve and Empress Jaylene. I think Jaylene was stalking me, because at every out of town Coronation, there she was! Hmmm, maybe just a coincidence? Congratulations on a very successful year. To the new Monarchs of Vancouver, Emperor Glenn and Empress Imelda Mae, I hope we can spend some time together on the circuit.

Calgary:

To our sister court to the south, a BIG thank you! This year we worked together and shared many good times. This is what the court system is all about. You help put the "fun" back in fundraising. Wolfgang (who has my vote for the sexiest

smile) Many thanks for all you have done for us. Dyna (who has the sexiest singing voice) your energy is an inspiration to me. Greetings and good luck to Emperor Conrad and Empress Lonnie.

Edmonton:

Where to start? To the Courtiers of my reign, thank you for being there. You helped with the fundraising events and shows. It is with a grateful and satisfied heart that I finish my year on such a positive note. To my Upper House, H.M.I.S.G. Imperial Grand Duke XXXI David, thank you. H.M.I.S.G. Imperial Grade Duke XXXI L.J. Steele (maybe Emperor in the making, wink, wink, nudge, nudge). Thank you for all your energy and organizational skills. Imperial Grand Duchess XXXI T.C. Meow, thank you. Imperial Grand Duchess XXXI Caprice, thanks for being there and bringing some Latino fire to our Court. Imperial Crown Princess Elise, you did an awesome job. Thanks for your hard work this year. Imperial Crown Prince XXXI, Sundance, what can I say, Thank you for being there for me, in the rough times and the good times. Thanks for the encouragement to carry on. My appreciation of your support can not be expressed fully in a few words.

To the Board of Directors of the I.S.C.W.R. I am very grateful for your leadership through some difficult times. I would also like to acknowledge and thank the 30th Reign of the I.S.C.W.R. Empress XXX Leah Way (MaMa), Emperor XXX Lloyd, I.C.P. Marni, I.C.P. Jamel. Even if you were not aware of it, you were great advisors and mentors. Thank you. Jason, I'll have another shooter! Garry, please don't ever change. Hi Brandi, It's Chuck! Big hugs to my In-Town-Half Bobby BigOnion!

To all the Volunteers, Northern Chaps, Illusions, and all who have given of their time to make this year a success, thank you.

Last, but not least, to my Empress, Southern Comfort, we did it girl! How do I express my gratitude for all the hard work we have shared. It has been an incredible journey. Now, we both can sit back and relax a bit. Thank you Hon.

Now my friends, sit back, and enjoy your selves at our Southern Garden Party. Let the fun begin!

EMPRESS XXXI SOUTHERN COMFORT

Welcome everyone to our Ball, it's great to see new friends, old friends and supporters come together and celebrate our year. This year we had fun, a few hurdles to overcome but I enjoyed my reign. Through the many events we have increased membership and awareness of the Court. There are many new, younger people becoming involved insuring a positive direction for the future of our Court.

In my travels to the Out of Town Balls I was able to renew and make new friends. I had a fabulous time wherever I went, whether I went to Winnipeg or Hamilton, Toronto, Regina, Surrey or Calgary. Meeting Mama Jose the Widow Norton in Toronto was a real treat, enjoy your retirement and thank you for founding the Imperial Court System. Congratulations Dion for being named Heir Apparent. Being involved with the Court has made me a better, stronger, more accepting, flamboyant and happier person.

Thank you Chris and Bill for being with me in Hamilton and Toronto I had a fabulous time. Christina Dior, you made me feel very welcome and that I belong, love you hon. Mz. Rhonda, Wayne, Montana, Dyna Myte, Wolfgang, Jaylene, Steve, Nelson Jeronimo, Madame, Tig, Zelda, Rose Royce, Argentina, Dion, Bianca, Lonnie, Conrad, Robin, Buster, Schmoo, Zak and everyone else that I partied with this year (sorry if I missed some names). I love you all and I am proud to call each and every one of you my friends.

I enjoyed myself in Saskatoon at the Mz. Gay Pageant even though we forgot about the time change and were rushed when we got there. I had fun at Calgary's Gay Rodeo with Mz. Rhonda, Chuck and Sundance even though we got lost for a while (don't listen to the blind guy when he says "that looks familiar" lol). And to be fair to Chuck I got us lost coming home down Hwy. 2, we were on our way to Saskatoon for a short while lol.

In March Jamal and I went to Athabasca, where Entertainer of the Year Ashley Love did a fundraiser. Shiwanne and Alisha Nicollar were there also, we did a couple shows and were loved by all, thank you Athabasca. I would love to return and repeat the good time.

This has been a year of growth for me and the skills I have learned will stay with me forever just as the friendships I have made will. I am very proud to have represented Edmonton this year and will continue to do so. I will attend as many Out of Town Balls as I am able to.

Thank you all for the support that has been shown us this year. Fundraising for our charities, the Edmonton Pride Center and Camp fyrefly has been fun. The community, clubs and membership attending our fundraisers have been great, without you we wouldn't be able to do what we do.

Dow, Joe, Paul and everyone at The Roost, you have been fabulous as always. Your support has not gone unnoticed, you have been there for us in the past and continue to show great support. To Rae-anne, Cindy and all at Prism Bar and Grill, I love you and thank you for everything that you have done. Jim, GoDiva, Reg and all my friends and supporters at Buddy's and Woody's thank you for supporting our Court and I. You are all my friends and I love each and every one of you. To Jim, Ross and all at Boots, I wish you all good cheer and hope that some day you will rejoin the Court, we are all stronger if we stick together. Thank you Tabitha, Terry and everyone at New City Subburbs for being a part of my year and welcome to the Court. I love you all and look forward to many years of working together and a lifetime of friendship.

Mara Shekno, Cleverton and all the volunteers who have helped us this year and in the past thank you so much, your efforts and hard work enable us to continue to make a difference and do our small part to help this community we call our own. Don't ever change, always be who you are.

IMPERIAL CROWN PRINCESS XXXI ELISE SHESHOWEDUP

Good evening Monarchs, past Monarchs, guests, ladies, and Gentlemen. I want to personally welcome you to Coronation 32 of Edmonton. I truly hope that this evening will create or bring back some fond memories, as I am sure that it will for me. This past year has been full of ups and downs and has been a personal learning and growing experience for me. I have had some wonderful experiences that I will cherish. Also has been a fabulous year of meeting many new people as well as re-connecting with some that I have not seen in a long while.

This leads me to the point where there is so many people I need to thank and I am sure that for everyone that I do there will be two more that I have forgotten. Does not mean any disrespect or lack of acknowledgment, just means a bad memory. **Regina:** To Kricket and Mitch, I sincerely hope that your year is going as planned and looking forward to your stepdown. To Schmoo, thank you for teaching me style and grace. **Winnipeg:** To Jiminity and Tattyana, was a great pleasure to see you both in Regina and again in Vancouver, cannot wait to see you in Winnipeg. **Vancouver:** Was great to see you again Jaylene, what a lovely stepdown ball it was. To Carlottagurl, thanks for the memorable limo ride to the Odd. **Calgary:** To Dyna and Wolfgang, Steve and Mykayla, was a fabulous year to reign along with you. All the best to your futures. And love to get together again anytime.

Now for the Edmonton people I must thank. Where to start? This is in no way in order of importance. To Leah and Lloyd. You both have shown me respect and what friendship means. You both individually have been there to guide, educate and just listen to me bitch in general through this year. Could not have done this without you. Love you both! To the Adelle and Edera at Walmart. Thank you both for your support and enjoyment of this year. Love you both., To Joe, Paul, Jazzy and the remainder of the staff at the Roost. You all have supported me and offered me everything I ever asked for. You are forever endeared in my heart and soul. Thank you does not seem to be enough. To Jim McBride. Thank you ever so much for your respect and kindness. You have tried ever so much to get me to expand my horizons. Your guidance has helped me grow as a performer. Cannot thank you enough. To Southern and Chuck. Thank you for letting me be me. And letting me do my own things this year, was great to be your

Princess. It was an honour and privilege. To Dale, my Prince, you were always there to lend me a hand, an ear, and part some wisdom, you made my year what it was. To Lonnie. What can I say, you were awesome! gave me something to strive for. every lovingly yours. A Page is not long enough, sorry to those I had to exclude. To Kristen, the most important thank you I can ever have to make. Where do I begin? You have been there through all the good times and bad times. You were there to make sure I was on time and everywhere I had to be, even if I was not really up to it. You helped me in every way. New dresses, wigs, updos, You were my rock this year. I know it has taken a lot of time and effort on our part but we made it. You were just as much Princess as I was. I LOVE YOU babe, I am forever grateful and indebted to you.

Well space is up for me as this year closes. thank you one and all.
